You may get an immediate delivery confirmation page or you may have to select “Deliver Book to (device name).” You can also transfer the book via a USB cable on your home computer.

Adobe ePub: Choose Adobe/ePub Book, then Confirm and Download. Your title will download right away, but can only be read through the Overdrive app. This choice will limit some of your reading options (fonts, progress, etc.) that a Kindle offers.

9. You may want to experiment to see which format you like best for eBooks (Kindle vs. ePub) - they each have their own unique features (fonts, colors, etc.)
